Description

"Modern living in the heart of Berlin with a breathtaking view"

The apartment of around 50 m² in Berlin Mitte, which was extensively and lovingly renovated in 2020, is located on the outstanding 16th floor with a unique view of the "Alex" and the whole city. Despite the urban location, the apartment is very quiet and comfortable.

The living room leads directly to the large balcony with a breathtaking view (including balcony furniture).

There is also a quiet and cozy bedroom with a new box spring bed and a high-quality wardrobe with bright elements. Many loving details complete this room.

Bathroom is equipped with sanitary facilities from Villeroy & Boch and is characterized by a heated towel rail and a large rain shower. Good internet connection (200Mbit/s).

A concierge is responsible for the building around the clock. A dishwasher and washing machine as well as a new 55-inch Ultra HD 4K TV, a Sonos sound system in all rooms, a Nespresso machine and much more are available. On the same floor there is also a separate storage room with its own new clothes dryer. There are also towels, sheets and other utensils for everyday use.

There are also quite a few shopping opportunities in the immediate vicinity. There is a fitness studio in the building complex. The Gendarmenmarkt, for example, is only 600 m away and Checkpoint Charlie can be reached in 15 minutes on foot. The U2 and U6 are also just around the corner.
